RE: ACADEMIC AND FINANCIAL ATTESTATION FOR STEPHEN GAITA GAIKIA Student ID (Templum University): TU-2023-0025

This is to certify that **Stephen Gaita Gaikia** was a student at Rungiri High School from January 2022 to November 2025. He was registered under Student Admission Number 4821.

During his time at our institution, Stephen proved to be a highly focused and academically gifted student. He represented the school in science congress competitions and held the position of Library Prefect.

However, his academic progress was constantly hampered by extreme financial difficulties. His parents, who are both elderly and retired, struggled immensely to pay his boarding and tuition fees. By the time he reached his final year, he had accumulated a fee balance of **Ksh 38,400**. Out of compassion and recognition of his potential, the Board of Management allowed him to sit his final national exams (KCSE) with a promise from his retired parents to settle the balance in installments. To date, only Ksh 20,000 has been paid, leaving an active outstanding balance of **Ksh 18,400**.

Stephen cleared his school requirements with an exemplary grade of **A-minus (76 Points)**.

Had it not been for his persistent financial worries and the days he missed while sent home for fees, Stephen could have easily scored a straight A. He possesses excellent analytical skills and an outstanding capacity for hard work. He is highly deserving of a full scholarship, as his retired parents have absolutely no capacity to finance his higher education.

For any further inquiries regarding his high school records, do not hesitate to contact us.

Yours sincerely,
